

The Otsego UMW-United Women in Faith invite the women of Parchment UMC and community to their annual Lenten Breakfast.

Seating for the breakfast is limited, so please make your reservations by **Monday, April 14**. We will be serving breakfast casseroles, with a variety of flavors, including: gluten free, vegetarian and a variety of fruits and breads.

Our speaker will be Jolene Minor.

Jolene, Jo, is the wife of Rev. Dan Minor. She grew up in Plainwell and was a graduate of Plainwell High School and then Western Michigan University.

Although she did not plan to marry a pastor, she became a minister's wife and supported her husband's calling through seminary and beyond. Together they have two children, five grandchildren and one great grandson.

Jo earned her college degree in education. Because of her husbands' career, she held various substitute teaching jobs within the area schools. She made a career within the banking/mortgage industry.

Throughout her life, God has been her beacon and support. She believes in a personal relationship with Christ and it is to Him she turns to in times of praise and need. Through the years, Jo has seen Christ at work not only in her personal growth but in the spiritual growth of others. Her passion is that of enabling people, especially women in their lives and their walk with Christ.

Jo will bring to the Lenten Breakfast a different slant to one of the miracles Christ.

Please plan on joining us on April 16th and renew old friendships, receive spiritual comfort, and enjoy Christian fellowship.

Please contact the Parchment church office to let us know how many will be attending.
